ACTION TAKEN REPORT - 2019-2020

EKNM Govt. College, Elerithattu

Internal Quality Assurance Cell 2019-20 ATR

Feedback collected from various stakeholders were collected and analysed. Most of the parameters were at a satisfactory level. Other factors were addressed in the council meetings and IQAC meetings. The detailed report is given below:

Sl. No.	Feedback	Stakeholders	Action Taken
1.	Students' feedback survey collectively suggested to offer them training to improve life skills, soft skills, and other attributes to enhance employability	Students	A council meeting was held to address the survey feedback forms. It was decided that Capacity building programme including sessions on life skills, soft skills, and communication skills to be started with immediate effect. Departments should organize classes in association with the Career Guidance Cell. Remedial classes should be made mandatory by identifying the weaker students.
2.	Hostel facility unavailable for girl students	Parents	As the number of girl students are comparatively more than boys, it was decided at the council and discussed with the PTA members and advised the Principal to forward a request to the DC to allow accommodation of girls in the boys' hostel temporarily.
3.	Students do not get enough opportunities regarding campus placements	Parents	The matter was discussed at the PTA meeting and was decided to make maximum use of the alumni network to attract more companies and banks for recruitment. Also to engage training sessions for students on how to prepare CV/Résumé and to prepare them for job interviews.
4.	Contribution of alumni in campus placements	Alumni	Alumni Secretary offered wholehearted support in promoting career placement activities for the students. Alumni representatives from each department were asked to prepare a list of potential alumni to continue interaction and plan future placement procedures.
5.	Canteen facilities not up to the mark	Students, Alumni	The Council has decided to put a canteen review committee including student representatives to assess the existing canteen team and to analyse the problems faced by

			the team. Also to recommend measures to raise the standards by improving food quality (including changes in menu), providing essential food varieties at reasonable prices. Periodical review suggested to ensure proper functioning time.
6.	Inadequate lab facilities	Students	The council recommended the research committee to list out the requirements and submit an estimate at the earliest and was decided to seek the possibility of availability of PD funds/ to request UGC Committee to apply for block funds.
7.	Centralization of Internal exam	Faculty	Proper valuation and assessment of internal exam papers couldn't be shared back to the students as internal exams are not conducted in advance. The council decided to hold an all-staff meeting to propose a centralized internal exam, with fixed time schedule for exam, valuation and for handing over the assessment marks to the students.
8.	Internet issues at library	Faculty, Students	Initiatives were taken at the council to study the cost effectiveness and service plans and to identify a suitable service provider.
9.	Unavailability of guest appointments in time, existing teachers over burdened with portions to be completed	Faculty	It was decided by the council to advertise for guest vacancies well ahead before the academic year and to conduct guest interviews in advance. For the time being as remedial measure, an alternate arrangement to share the work allotment was suggested. (to be done by the Head of the departments).
