HARMONY TOWARDS CULTURAL DIVERSITY

At EKNM, we believe that promoting cultural diversity and inclusivity in college is crucial for creating a supportive and enriching environment for all students. The college aims at enhanced learning which engages exposure to diverse perspectives, enriching classroom discussions and broadening the students' understanding of global issues. The college has an inclusive curriculum that integrates diverse perspectives with common papers like Readings on Gender in adherence to Kannur University. The institution also sets the pace for a diverse and inclusive college experience that prepares students for working in multicultural environments. The college has a cross section of members from all walks of society, religious and cultural identities and fosters a sense of social cohesion.

Cultural events and programmes are hosted by the college to celebrate and educate about different cultures. Onam, Christmas, Diwali, and festivals are celebrated with much fervour. The spirit of oneness is palpable in the very core of the institution. The staff and students believe in celebrating all cultural occasions, particularly of local and national significance like Kerala Piravi, Hindi Diwas etc.
